Mr. Orr reported on the Implementation & Impact Committee, who met for the purposes of making the recommendations below. The minutes for the meeting are included in the materials. Mr. Orr asked the Board to consider for approval two walk-in grants. The first grant is the Hispanic Free Market Network, and the second is a series of grants recommended by the Working Group on preserving and strengthening marriage. These grants are listed below in the Family and Society sub-sector. Lastly, Mr. Orr recommended an allocation of \$1,600,000 for a scholarship grants to one or more public charities delegating authority to management to award the grants after grantee review

to determine specific amounts to each grantee.
