MISSION AND PROGRAMS

Mission

THE ORGANIZATION SERVES CHILDREN THROUGH WEEKLY SCHOOL PROGRAMS, ASSEMBLIES CURRICULUM SUPPLEMENTS AND PERFORMANCES AS WELL AS TEACHER TRAINING.

Programs

1. Specialty Programs: NDI conducted programs for blind and visually-impaired children, wheelchair-mobile children, and emotionally-challenged children. These Specialty Programs in New York Lighthouse in Manhattan, PS 199 in Manhattan, and the Martin De Porres School in Queens developed alongside the Core Program.
2. In-School Core Program: Children from 17 schools in New York City and 2 schools in Jersey City, New Jersey, participated in weekly classes throughout the school year. All the children from one grade in each school- either 4th, 5th, or 6th grade, depending on the school - were part of the NDI program. The school year was divided into three ten-week units.
3. Summer Scholarship Program: Many of the S.W.A.T. Team children continued their study in the NDI Summer Institute. This four-week course offered intensive training five days each week in ballet, tap dance, jazz dance, Russian character dance, theatre dance. African dance and drumming, modern dance, drama, and music (choral singing and orchestra). The Summer Institute culminated in a day of Open Classes and showings for parents and friends.
4. S.W.A.T. Scholarship Program: In the fall, NDI artistic staff selected approximately 130 children out of the 2,000 students from the Core and Specialty Programs to join the S.W.A.T. (Scholarships for the Willing, Achieving, and Talented) Team, a special program of intensive arts exposure that concentrates on various forms of dance.
