Gentlemen:

Based on the information you recently submitted, we have classified you as an organization that is not a private foundation as defined in section 509(a) of the Internal Revenue Code.

Your classification is based on the assumption that your operations will be as stated in your notification. Any changes in your purposes, character, or method of operation must be reported to your District Director so he may consider the effect on your status.

Sincerely yours,

Chief, Rulings Section

TREASURY DEPARTMENT

WASHINGTON

MAR 28 1935

March 26, 1935.

Trustees of Dartmouth College,  
Hanover, New Hampshire.

Sirs:

Reference is made to evidence submitted by you for the use of the Bureau in determining the status of your organization for Federal income tax purposes and whether contributions made thereto are deductible in computing the net income of individual donors.

Evidence at hand discloses that your organization was formed during 1769, for the purpose of affording educational facilities to Indians in New Hampshire. A college is maintained which is purely educational in character and where other activities entirely incidental to educational purposes are engaged in. Your income consists of amounts collected from students, interest on endowments, donations and from miscellaneous sources and is used in meeting your operating expenses. You have no capital stock and none of your income inures to the benefit of any private member or individual.

Based on the foregoing it is held that you are entitled to exemption under the provisions of section 101(6) of the Revenue Act of 1934, and corresponding provisions of prior revenue acts. You will not, therefore, be required to file returns of annual income so long as you retain your nontaxable status.

The exemption referred to in this letter does not apply to taxes levied under other titles or provisions of the respective revenue acts except insofar as the exemption is granted expressly under those provisions to corporations enumerated in section 101 of the Revenue Act of 1934 and corresponding provisions of prior revenue acts.

Since your organization is entitled to exemption under the provisions of section 101 of the Revenue Act of 1934 and corresponding provisions of prior revenue acts, it follows that contributions made thereto are deductible in computing the net income of individual donors in the manner and to the extent provided by section 23(c) of the Revenue Act of 1934 and corresponding provisions of prior revenue acts.

Trustees of Dartmouth College.

A copy of this letter is being transmitted to the collector of internal revenue for your district.

By direction of the Commissioner.

Respectfully,

*Chas. J. Russell*  
Deputy Commissioner.

Trustees of Dartmouth College,

Hanover, New Hampshire.

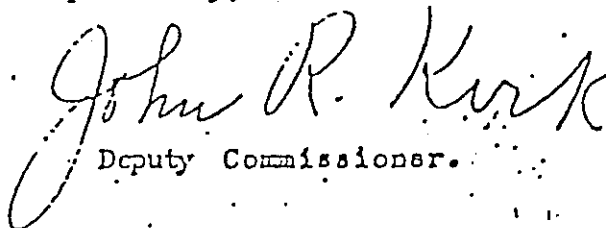

Sirs:

Reference is made to the questionnaire and supporting data submitted in response to the request of the Bureau, for the purpose of determining whether the exemption from income taxation under the provisions which now appear in Section 101 of the income tax law, to which you have heretofore been held to be entitled, is equally applicable under the Revenue Act of 1936.

Careful consideration has been given to the evidence submitted and as it appears that there has been no change in your form of organization or activities which would affect your status the previous ruling of the Bureau holding you to be exempt from filing returns of income is affirmed under the Revenue Act of 1936.

By direction of the Commissioner.

Respectfully,

  
Deputy Commissioner.
