CHARITY: The Centre for European Defence and Strategic Studies
Limited

PLACE: National

The above-named charity has been entered in the Central Register of Charities and a copy of the index slip relating to it is enclosed. This letter and the index slip should be placed with the charity's papers for safe keeping.

The Commissioners should be notified of any changes in the information contained in the index slip as they occur so that the particulars of the charity entered in the Register may be kept up to date.

The reference number above should be quoted in all future correspondence relating to this charity.

It is requested that a statement of account of the affairs of the charity covering the charity's last completed accounting period may be sent to the Commissioners at the end of a year from the date of this letter, and thereafter yearly without further request.

The information required in the statement of account has been prescribed in Regulations (Statutory Instrument 1960 No. 2425). An account form which makes provision for the prescribed information is enclosed. Further copies can be obtained from this office free of charge on request at the appropriate time. Dear Sir/Madam

CHARITIES ACT 1960 - CENTRAL REGISTER OF CHARITIES

The registered particulars of the charity^P named on the enclosed index slip have been revised and the new slip should be kept with the charity¹³ papers.

It is important for both donors and beneficiaries of charities that the details in the Central Register of Charities are kept up-to-date. Under section 4(6) of the Charities Act 1960 charity trustees have a duty to notify the Commissioners if the charity ceases to exist or if there is any change in the trusts, or of the particulars of it entered in the Register and to supply copies of any new trusts. Please, therefore, inform us of any further change including any change of correspondent.

Please quote the registered number of the charity^Y in all future correspondence with this office.

Yours faithfully

(M. V. YADNIK)

Dear Mr. Fradkin,

Thank you very much for your letter of September 7 announcing the grant awarded to us by the Lynde and Harry Bradley Foundation. We are most grateful to you for your staunch support and will endeavour to keep you fully informed about our progress.

As we are not US-based we are not registered as a 501(c)(3) organisation; however our status in Britain, where we are registered as an educational trust, i.e. charity, is the approximate equivalent. We sent the relevant details and documentation to you at the time of our initial application, but if there is anything further you would like please let me know. As requested I enclose a signed copy of the grant contract.

With best wishes,

Sincerely,

Gerald Frost
