Re: OCD Inclusion

Dear Professor:

We have reviewed your organization's application for inclusion in the USCC Group Ruling ("Group Ruling") and listing in the Official Catholic Directory ("OCD"). Based upon the application and supporting documentation, we have approved its inclusion in the Group Ruling and the next edition of the OCD.

Please consult with Mr. David Schwartz of our Office of Research and Planning, who will take care of the wording and placement of your entry in the OCD. And please inform this office of any changes in your organization's name, address or corporate form, and of any material changes in its governance, purposes, activities or sources of support.

This letter establishes your organization's exemption from federal income tax under section 501 (c)(3) of the Internal Revenue Code ("Code") in the interim until publication of the next edition of the OCD. Please retain it in your permanent records.

Inclusion in the OCD and USCC Group Ruling does not automatically relieve your organization of the requirement to file annual IRS Form 990. You should consult with your own tax advisor to determine whether your organization qualified for one of the mandatory or discretionary exceptions to that requirement.

Sincerely,

A handwritten signature in dark ink, appearing to read "R. Saudis".

Reverend Richard B. Saudis  
Vice-Chancellor
