CERTIFICATION OF FEDERAL INCOME TAX EXEMPTION for

Lutheran Church of the Reformation
2201 N. 35th St.
Milwaukee, Wisconsin
EIN: 39-0806231

Lutheran Church of the Reformation has been listed on the official roster of congregations affiliated with the Evangelical Lutheran Church in America (ELCA) since November 1988 and is recognized by the ELCA as being included under our Group Exemption Ruling. This inclusion establishes that this entity is exempt from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation as defined in Code Section 509(a). The four-digit Group Exemption Number 9386 is the same for the ELCA, its synods, its congregations, and its related entities. The nine-digit Employer Identification Number is different for each synod, for each congregation, and for other employing entities. The nine-digit number is used, for example, when federal withholding and Social Security contributions are filed by the employer.

The IRS issued the attached Group Exemption Letters to the ELCA (*dated April 5, 1988, and July 13, 1988*). In accordance with the terms of the April 5, 1988, letter, entities affiliated with ELCA are exempt from Federal Income Tax under ELCA's Group Exemption Ruling.

October 10, 2007

Very truly yours,

Phillip H. Harris
General Counsel
