Our Letter Dated:

November 1998

Addendum Applies:

No

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(1) and 170(b)(1)(A)(vi).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(1) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(1) organization.

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. Copies of these documents are also required to be provided to any individual upon written or in person request without charge other than reasonable fees for copying and postage. You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or you may call our toll free number shown above.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Advance Ruling Period Ends: June 30, 2002
Form 990 Required: Yes

Dear Applicant:

Based on the information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in the section(s) indicated above.

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins and ends on the dates indicated above.

Within 90 days after the end of your advance ruling period, you must submit to the Ohio EP/EO key district office information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Middle East Media and Research Institute, Inc.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of Code sections 2055, 2106, and 2522.

Donors (including private foundations) may rely on the advance ruling that you are not a private foundation until 90 days after your advance ruling period ends. If you submit the required information within the 90 days, donors may continue to rely on the advance ruling until we make a final determination of your foundation status. However, if notice that you will no longer be treated as the type of organization indicated above is published in the Internal Revenue Bulletin, donors may not rely on this advance ruling after the date of such publication. Also, donors (other than private foundations) may not rely on the classification indicated above if they were in part responsible for, or were aware of, the act that resulted in your loss of that classification, or if they acquired knowledge that the Internal Revenue Service had given notice that you would be removed from that classification. Private foundations may rely on the classification as long as you were not directly or indirectly controlled by them or by disqualified persons with respect to them. However, private foundations may not rely on the classification indicated above if they acquired knowledge that the Internal Revenue Service had given notice that you would be removed from that classification.

If your sources of support, or your purposes, character, or method of operation change, please let the Ohio EP/EO key district know so that office can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send a copy of the amended document or bylaws to the Ohio EP/EO key district. Also, you should inform the Ohio EP/EO key district office of all changes in your name or address. The mailing address for that office is: Internal Revenue Service, EP/EO Customer Service, P.O. Box 2508, Cincinnati, OH 45201.

You are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act.

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code.

Middle East Media and Research Institute, Inc.

However, if it is determined that you are a private foundation, you will be subject to excise taxes under Chapter 42. You also may be subject to other federal excise taxes. If you are involved in an excess benefit transaction, that transaction might be subject to the excise taxes of section 4958. In this letter we are not determining whether any of your present or proposed arrangements would be considered an excess benefit transaction resulting in tax under section 4958. If you have any questions about excise, employment, or other federal taxes, please contact the Ohio EP/EO Customer Service office at 513-241-5199 (not a toll free number) or at the address indicated above.

Contribution deductions are allowable to donors only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fund-raising events may not necessarily qualify as fully deductible contributions, depending on the circumstances. If your organization conducts fund-raising events such as benefit dinners, shows, membership drives, etc., where something of value is received in return for payments, you are required to provide a written disclosure statement informing the donor of the fair market value of the specific items or services being provided. To do this you should, in advance of the event, determine the fair market value of the benefit received and state it in your fund-raising materials such as solicitations, tickets, and receipts in such a way that the donor can determine how much is deductible and how much is not. Your disclosure statement should be made, at the latest, at the time payment is received. Subject to certain exceptions, your disclosure responsibility applies to any fund-raising circumstance where each complete payment, including the contribution portion, exceeds \$75. In addition, donors must have written substantiation from the charity for any charitable contribution of \$250 or more. For further details regarding these substantiation and disclosure requirements, see the enclosed copy of Publication 1771. For additional guidance in this area, see Publication 1391, Deductibility of Payments Made to Organizations Conducting Fund-Raising Events, which is available at many IRS offices or by calling 1-800-TAX-FORM (1-800-829-3676).

In the heading of this letter we have indicated whether you must file Form 990, Return of Organization Exempt from Income Tax. If "Yes" is indicated, you are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. If your gross receipts each year are not normally more than \$25,000, we ask that you establish that you are not required to file Form 990 by completing Part I of that Form for your first

Middle East Media and Research Institute, Inc.

year. Thereafter, you will not be required to file a return until your gross receipts exceed the \$25,000 minimum. For guidance in determining if your gross receipts are "normally" not more than the \$25,000 limit, see the instructions for the Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. The maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Please use the employer identification number indicated in the heading of this letter on all returns you file and in all correspondence with the Internal Revenue Service.

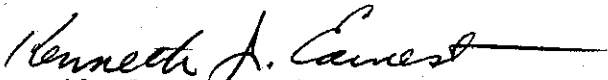

We are informing the Ohio EP/EO key district office of this ruling. Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any immediate questions about this ruling, please contact the person whose name and telephone number are

shown in the heading of this letter. For other matters, including questions concerning reporting requirements, please contact the Ohio EP/EO Customer Service office at the phone number or address indicated above.
