Gentlemen:

In a letter dated March 26, 1940, your organization was granted exempt status under Section 101(6) of the Internal Revenue Code of 1938 (now Section 501(c)(3)). In that letter, no determination was made as to your foundation status.

Based on information subsequently submitted by you, we have now classified your organization as one that is not a private foundation as defined in Section 509(a) of the Internal Revenue Code because you are an organization described in Code Section 170(b)(1)(A)(ii).

This classification is based on the assumption that your operations will continue as stated previously. All changes in your purposes, character or method of operation must be reported to your District Director so he can consider their effect on your status.

Very truly yours,

George O. Lethert
District Director
