This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

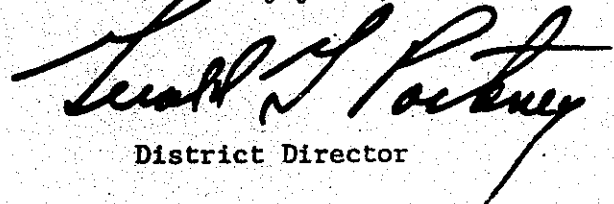

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section 170(b)(1)(A)(vi). Your exempt status under section 501(c)(3) of the code is still in effect.

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 170(b)(1)(A)(vi) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 170(b)(1)(A)(vi) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

Sincerely yours,

District Director

Re: National Parents Commission

Dear Dr. Schambra:

Please be advised that we represent the National Parents Commission, and have been requested by the principals, Peg Luksik and Diane Collins, to send this letter of explanation to you.

The corporation was originally incorporated in 1974, under the name of the Human Life Education Fund, Inc. The corporation has only recently registered to do business under the fictitious name of the National Parents Commission. Therefore it is one and the same corporation, now registered to do business under the name of the National Parents Commission as the activities of the corporation are educational activities for parents. It can now receive funds in the name of the "National Parents Commission."

Please do not hesitate to contact me if you have any questions or need for clarification regarding this.

Very truly yours,

Rosemary L. Corsetti
