Based on the information you recently submitted, we have classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because you are an organization described in section 509(a)(1) and 170(b)(1)(A)(vi).

Your exempt status under section 501(c)(3) of the Code is still in effect.

This classification is based on the assumption that your operations will continue as you have stated. If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status.

This supersedes our letter dated January 24, 1985.

Because this letter could help resolve any questions about your foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown above.

* See the attached changes in FICA tax and filing requirements.

Sincerely yours,

Teddy R. Kern
District Director
