Associate General Counsel
United States Conference
of Catholic Bishops
3211 4th Street, N.E.
Washington, D.C. 20018-1194

Dear Ms. Dessingue:

In a ruling dated March 25, 1946, we held that the agencies and instrumentalities and all educational, charitable and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* 1946, are entitled to exemption from federal income tax under the provisions of section 101(6) of the Internal Revenue Code of 1939, which corresponds to section 501(c)(3) of the 1986 Code. This ruling has been updated annually to cover the activities added to or deleted from the Directory.

The Official Catholic Directory for 2001 shows the names and addresses of all agencies and instrumentalities and all educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories and possessions in existence at the time the Directory was published. It is understood that each of these is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, that no substantial part of their activities is for promotion of legislation, and that none are private foundations under section 509(a) of the Code.

Based on all information submitted, we conclude that the agencies and instrumentalities and educational, charitable, and religious institutions operated, supervised, or controlled by or in connection with the Roman Catholic Church in the United States, its territories or possessions appearing in *The Official Catholic Directory* for 2001 are exempt from federal income tax under section 501(c)(3) of the Code.

Donors may deduct contributions to the agencies, instrumentalities and institutions referred to above, as provided by section 170 of the Code. Bequests, legacies, devises, transfers or gifts to them or for their use are deductible for federal estate and gift tax purposes under sections 1055, 2106, and 2522 of the Code.

Beginning January 1, 1984, unless specifically excepted, you and your subordinates must pay tax under the Federal Insurance Contributions Act (Social Security taxes) for each employee who is pay \$100 or more in a calendar year. You and your subordinates are not liable for the tax under the Federal Unemployment Tax Act (FUTA).

By May 31, 2002, please send four copies of *The Official Catholic Directory* for 2002 to the IRS TE/GE in Cincinnati, four copies to the Service Center in Ogden, two copies to the EO Divisions in

U.S. Catholic Bishops - Office of General Counsel

<http://www.nccbuscc.org/ogo/ruling.htm>

Baltimore, Brooklyn, Dallas, Chicago, St. Paul, Atlanta, and Los Angeles, and six copies to the IRS National Headquarters.

The conditions concerning the retention of your group exemption as set forth in our previous determination letter of August 17, 1983, remain in full force and effect.

Sincerely,

Myrna R. Hecker
