. Dear Sir or Madam:

This is in response to your request for confirmation of your exemption from Federal income tax.

You were recognized as an organization exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code by our determination letter dated February 1941. This letter is currently in effect and will remain in effect until terminated, modified, or revoked by the Internal Revenue Service.

You were also determined not to be a private foundation as defined in section 509(a) of the Code, because you are an organization described in sections 170(b)(1)(A)(ii) and 509(a)(1).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your attention is called to Revenue Procedure 75-50, 1975-2 C.B. 587. This revenue procedure sets forth the guidelines and recordkeeping requirements for determining whether private schools that are presently recognized as exempt from Federal income tax have racially nondiscriminatory policies as to students. To insure your continued exemption, you should maintain records to show that you are in compliance with all the requirements of Revenue Procedure 75-50.

Any changes in your purposes, character, or method or operation must be reported to us so we may consider the effect of the changes on your exempt status. You must also report any change in your name or address.

Thank you for your cooperation.

Sincerely yours,

T. D. Sheppard
