Gentlemen:

In a letter dated July 16, 1971, your organization was granted exemption from Federal income tax under Section 501(c)(3) of the Internal Revenue Code. In that same letter, we did not make a determination as to your foundation status pending issuance of final regulations.

On the basis of additional information submitted by you and the finalization of regulations under Section 509 of the Code, we have now classified your organization as one that is not a private foundation because it is an organization described in Section 509(a)(2) of the Code.

This classification is based on the assumption that your operations will continue as stated. All changes in your purposes, character or method of operation must be reported to your District Director so he can consider the effect on your status.

Very truly yours,

R. C. Voskuil  
District Director
