Dear Ladies:

This is in reply to your accountant's letter of August 10, 1965 submitting a copy of a letter dated May 14, 1964 from Frank J. Kuhl, Collector, to verify that an exemption ruling was issued to you on November 5, 1937 under section 101(6), corresponding to section 501(c)(3) of the Internal Revenue Code of 1954.

The verification is sufficient as to the establishment of your exempt status under section 501(c)(3) of the Code, and our letter of December 24, 1964 is hereby withdrawn. Contributions made to you are deductible as permitted under section 170(c) of the Code.

Forms 990-A are enclosed for your use in filing the annual information return for 1964, since you were not previously included in the Exempt Organization Master File used for mailing such forms.

Very truly yours,
